

# 應用科學研究中心

## Research Center for Applied Sciences

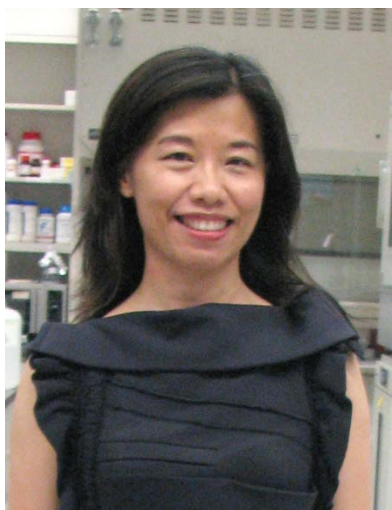

### Group Seminar

**Understanding timing mechanisms for orderly neuronal connectivity in development and regeneration decline in aging**

**Prof. Chieh Chang**

Department of Biological Sciences, University of Illinois at Chicago, USA

**Sensory diversity in the olfactory system: left-right neuronal asymmetry and beyond**

**Prof. Chiou-Fen Chuang**

Department of Biological Sciences, Graduate Program in Neuroscience, University of Illinois at Chicago, USA

**Light-sheet mapping for systems neuroscience at high spatiotemporal resolution**

**Prof. Bi-Chang Chen**

Research Center of Applied Sciences, Academia Sinica

**Date: 2017.01.03 (Tue)**

**Time: 10:00-12:00**

**Venue: 405B Meeting Room, 4F, IRBST, Academia Sinica**

**跨領域科技研究大樓 4F 405B 會議室**

**Host: Bi-Chang Chen 陳壁彰助研究員**
